## Help us

finance the installation of a new indoor heated pool in the PetMassage School on Douglas Road in Toledo Ohio.

Your donations/prepayments for services are opportunities for you to help dogs; yours and your community's.

**The PetMassage pool** will be clean, safe, heated, offering

- canine aquatic massage
- supervised swim exercise

The goal for our crowd-funding request is \$40,000. This will pay for retrofitting the building into a dog natatorium with the pool, state-of-the-art water purification and filtration systems, heater, decks, ramps, steps, lifts and canine aquatic exercise equipment.

The PetMassage indoor pool facility will serve the needs of dogs in the Toledo Ohio region. Dogs can schedule aquatic exercise in every type of weather and **throughout the year**.

Certified Canine Aquatic PetMassage Practitioners will work in collaboration with area dog owners, trainers, handlers, animal chiropractors, and the rehab veterinarians at OSU and MSU.

*Toledo area dogs - and their people – deserve the **canine aquatic experience**.*

This PetMassage pool will make Toledo a better place for dogs and their owners to live and thrive. A PetMassage Natatorium will enhance Toledo's image as a dog-friendly city.

- All PetMassage or swim sessions are private, by appointment.
- All sessions are safe and controlled.
- Every dog is closely monitored for fatigue and comfort.

**Canine Aquatic PetMassage:** the perfect massage experience for dogs with arthritis, spinal compression, shoulder, hip, hock, and paw issues.

The water provides resistance, buoyancy, and warmth, while dogs are massaged and being moved through it.

Dogs delight in the way they feel as they relax, flex, extend, strengthen, and regain function.

### Benefits of Aquatic Exercise:

increased flexibility, coordination, muscle tone, speed, strength, and endurance.

- **agility dogs, dock divers, and other canine athletes:** focus on body toning, conditioning, and wellness maintenance.
- **partially paralyzed dogs:** non-weight bearing programs restore strength and confidence in movement.
- **dogs recovering from injuries, toning for, or rehabilitating post-surgery, seniors with their special needs, and those in hospice** all benefit with enhanced circulation, mobility, comfort, and strength. It is also an enjoyable activity. They are eager to get into the water, where they feel safe and comfortable.
- **chubby dogs** swim and lose weight and girth.
- **healthy active dogs stay healthy and active when they exercise every day.** What do you do with your dog during our long cold winters when their primary exercise is going for a car ride? Get them in the pool. Swim exercise is clean, safe, and fun.

## Ways to help ...

Please share in our vision of creating the only indoor exercise/ hydrotherapy pool for dogs in Toledo. Our architects' plans for our commercial pool have been approved by the city inspectors.

We just need to raise the balance of the \$40,000 to make this happen. Please contribute whatever your heart tells you to. Please ask your network of friends to support this project, too.

We appreciate any help you can give. Here are the 6 gift category suggestions.

**\$50**

Get a social media shout-out, and an invitation for you and a guest to the grand opening party (TBA).

**\$100**

Your rewards are a social media shout-out, an invitation for you and a guest to the grand opening (TBA), your name on the wall, and 1 Canine Aquatic PetMassage or 2 swim sessions.

**\$500**

Your rewards are a social media shout-out, an invitation for you and a guest to the grand opening party (TBA), your name on the wall, and 5 Canine Aquatic PetMassage or 10 swim sessions.

**\$1000**

Your rewards are a Social media Shout-out, an invitation for you and your guests to the grand opening (TBA), your name on the wall and 16 sessions. Combine Canine Aquatic PetMassage and swim.

**\$2500**

Your rewards are a Social media Shout-out, an invitation for you and your guests to the grand opening party (TBA), your name on the wall and 50 sessions (1 dog, once a week, for 50 weeks).

**\$5000+**

Your rewards are Social media Shouts-out, invitations for you and your guests to the grand opening (TBA), your name on the wall, a day each week honoring you/your organization, and 100 sessions (2 dogs, once a week, for 50 weeks).

Your gift will enable us to create the pool that will be a health and wellness resource for dogs in the Toledo region.

Contribute per the website, by phone  
or in person.
